

## **Long Island Camp Rules**

Welcome to Long Island Camp. We hope your stay with us is an enjoyable one. In order to make your visit a success, the Camp has instituted rules and regulations that respect property and campers. PLEASE READ and FOLLOW the camp's rules. If you have any questions, do not hesitate to ask Camp Staff. Your cooperation is appreciated and we thank you for staying with us.

### **REGISTRATION / VISITORS**

1. If you are expecting visitors, please provide their names to the attendant at the gate. If guests are planning to use camp facilities, please note the associated fees.
2. All patrons of the campground must display their parking permit on the dashboard of their vehicles.
3. If you notice anyone who you feel should not be on the property either challenge them with dignity and respect or advise the Camp Manager.

### **VEHICLES**

4. Unload your vehicle at the earliest opportunity and return to the parking lot. Vehicles must not be kept on campsites.
5. Do not drive your vehicle over the centre Septic Beds in the seasonal camping area.
6. Help keep our children safe, drive slowly and carefully on all park roads. Max speed is 15km/h in the park.

### **CAMPFIRES**

7. Campfires are only allowed in either of the two designated locations.
8. Completely extinguish campfire after use.
9. Wood boxes are for firewood and clean newspaper only; do not place garbage in them.
10. If the Red Flag is posted, do not start a fire, as the City of Ottawa has banned all camp fires due to extremely dry weather conditions.

### **REFUSE / GARBAGE / RECYCLING**

11. Absolutely no dumping of sewage or gray water on grounds. The designated dumping station must be used.
12. Garbage must be bagged and deposited in the bins provided.
13. Please use the recycling boxes provided and sort your recycling accordingly.
14. No washing dishes in the bathroom sinks. Please use the kitchen sinks in Wood Hall for this purpose.

### **PETS**

15. Pet owners must be able to physically control their pets at all times.
16. While on camp property all pets must be kept on a leash including outside your camper/cabin.
17. A child who cannot control or clean up after the pet should not be walking the pet alone.
18. All pet owners are required to pick up their pets droppings and properly dispose them in a garbage can. Not picking up after your pet is reason to be asked to leave the camp.
19. Leashes may be removed when your pet is released in the Pet Exercise area. The Pet Exercise area is the mowed grassed area located just outside the gated entrance at the top of the hill adjacent to the waste dumpsters.
20. Pet owners must use the Pet Exercise area when they walk or run their pet for the sole intention of their pet relieving themselves. Do not use the open field between the seasonal campsites and the tennis courts for this reason. Nature can call unexpectedly at many places and that is fine as long as you pick it up, but if your goal is a walk for the daily constitutional, head to the Pet Exercise area!
21. No pets are allowed in any public building including Wood Hall (kitchen and dining area) and the washroom buildings. Pets are also not allowed inside the fenced pool areas, fenced tennis courts and sand area at the playground. Not everyone is comfortable with dogs; allow campers to access the camp facilities without being blocked by your pet.
22. No pet shall be allowed to disturb other patrons. You will be asked to remove your pet from the camp if you are not able to control your pet's barking.

#### SITES / TRAILERS / TENTS

23. All sites must be kept neat, orderly and clutter free. Collect all articles at the end of the day (bikes, toys) to prevent someone from tripping over them in the dark.
24. A recreational vehicle site may be occupied by one recreational vehicle with one additional tent if room permits. No tents are allowed on the waterfront.

#### CANNABIS

25. In the best interest of all campers and to avoid all issues of smell associated with cannabis there shall be no cultivation nor consumption of medical or recreational cannabis by inhalation on camp property. For medical and recreational consumption of cannabis by inhalation, please do so off camp property and far enough not to expose anyone to the smoke.

#### GENERAL

26. Quiet time is between 12:00am and 8:00am on weekends and 11pm and 8:00am on weekdays. No excessive noise at any time, or engaging in activities that disturb other campers and park neighbours.
27. The registered camper is responsible for their children, friends and/or relatives visiting their campsite and anywhere within the park property; the actions or violations by these people are the responsibility of the registered camper and may lead to the cancellation of your camping privileges.
28. No bicycles, roller blades or dogs are allowed in the fenced tennis courts.

29. All camp equipment must be returned to proper storage locations when not in use (basketballs, sand toys, horse shoes, etc.).

30. Camp boats (pedal boat, row boat and canoe) may be borrowed free of charge, please see the lifeguard on duty to sign out a boat. You must be at least 14 years old to borrow a boat or be directly supervised by someone of that age. Life jackets must be worn when using the camp's boats. Life jackets may be borrowed from the pool and returned there when done. A fully refundable deposit is required for each life jacket borrowed; please see the lifeguard on duty. Stay out of the main channel unless necessary and ensure boats are secured when returned.

31. Air conditioners and unnecessary lights should be turned off when you are away for extended periods of time.
